Dear Mega-Mike,
 When this book is so much fun, I just finished up reading *WILDA* again and this series just gets better and better. I love to pass around to several of my friends from Comic-Con, even this year, and the energy and joy you love in this book makes every month. Comic-Con!

Shipping and flight costs provided
 within 48 hours of arrival. No
 need to wait in long lines
 at the airport.

Don: Marjorie Hill,
I truly understand your fear
making the female volun-

year at high school I'm a
strong person and I know
that this will no longer
be an effort period, but
I absolutely love it! The
country.
